

## COVID-19 Visitor Declaration

This declaration must be completed prior to every visit with a Stewart Homes resident. This will continue for the duration of the COVID-19 Pandemic. You will be contacted by a Stewart Homes program manager or residence supervisor prior to attending the residence to review the Visitor's Package and to confirm your visit time and location. Visits will not be approved without our advance receipt of the signed declaration and your review of the Visitor's Package. Declarations will not be accepted onsite at the time of the visit. Please scan a signed a completed copy to [vistors@stewart-homes.com](mailto:vistors@stewart-homes.com) or complete the electronic declaration through our visitor booking site. A separate declaration must be completed for each visitor attending, for each visit.

---

I understand that prior to attending any Stewart Homes residence for the purposes of visiting a resident, that I must be tested for COVID-19 within the two weeks (14 days) immediately prior to the date of the visit and that I must attest to having received a negative test result prior to the visit. I attest that I have been tested for COVID-19 on the following date/location:

---

Date

---

Location

I received my negative COVID-19 test result on:

---

Date

I \_\_\_\_\_ (*Print Name*) agree to read and adhere to all visitor guidelines provided including the scheduled visit time, the wearing of a mask or face covering for the duration of the visit, to meet only in the designated visiting area and to stay a minimum of two metres apart from all residents and staff. I agree to self-monitor for COVID-19 symptoms in advance of my visit, including atypical symptoms and to cancel my visit if I am experiencing any of these symptoms.

I understand that failing to adhere to any of the guidelines outlined in the visitors package or falsifying my COVID-19 test results will result in my being restricted from visiting Stewart Homes residents or sites for the duration of the pandemic.
